

## **Terms & Conditions**

You must identify yourself as Green View's Garden Rewards® Member at the time of purchase and redemption by presenting Green View's Garden Rewards® Card. Green View is not responsible for lost or stolen Garden Rewards cards. Green View's Garden Rewards® card is not a debit or credit card. Garden Rewards points may not be combined with other discounts or promotions and are not redeemable for cash. No additional points are earned for reward redemption.

For every \$10 you spend, you earn a point on eligible items. Your points are available to use the next day after purchase. Casual furniture or outdoor fountains are not eligible.

Partial redemption up to 50% of the regular retail price of the product only, no combinations with discounts or promotions. Ex: You would like to purchase an item that has a retail price of \$30, but you only have 20 points. You can use up to 15 points on your \$30 purchase.

Tax is not included in your Garden Rewards points and must be paid. Sales tax must be paid on the gross amount of the purchase regardless of the redemption of Garden Rewards points.

Green View's Garden Rewards® Program points cannot be used for special orders, labor services or deliveries. The program can only be used for in-stock regular retail priced product, with the exception of casual furniture or outdoor fountains.

Green View's Garden Rewards® Program is only for retail cash, check or credit card sales. The program excludes wholesale/contractor accounts, and for Green View Landscape and Maintenance Services.

Green View's Garden Rewards® points will expire on July 31st and every year thereafter on this date. Garden Rewards points do not carry over after the expiration date.

Garden Rewards points may not be sold, bartered, brokered or otherwise transferred for compensation.

Green View Companies/Nurseries reserves the right to change Green View's Garden Rewards® Program rules, regulations, rewards, special offers and participant affiliations at any time. Such changes can be significant and may affect, among other things, point earnings, redemption levels for points, limitations on and availability of rewards.

Green View's Garden Rewards® Program, including earning and redemption of points, is subject to all applicable laws, rules and regulations and is void if legally prohibited or restricted. Garden Rewards benefits or rewards may be subject to income or other taxes and all such taxes are the sole responsibility of the recipient.
